

## Workshop: Native Warm Season Grasses for Missouri Stockmen

Thursday, September 5<sup>th</sup>, 2013

6 p.m. – 8 p.m.

Lincoln University's George Washington Carver Farm  
Jefferson City, MO

### TOPICS:

- Understanding native grasses
- Eradication of existing plant species.
- Establishment of native grasses
- Management and maintenance: haying and grazing
- Financial benefits of natives and incentives to get started.

Directions: Carver Farm is on Bald Hill Road, just outside Jefferson City, MO. Take Eastland Drive exit on Hwy 50/63, drive south past McDonalds and Pizza Hut, turn left on Bald Hill Road and continue for 1.7 miles. Lincoln University Carver Farm is on the right side of the road.
